GMÖHLING

It's finally ready - our new website is online!

We have been busy the last few weeks and have completely revised our website.

on the one hand concentrating on the essentials and shortening the navigation considerably, on the other hand, keeping all the relevant information ready for you.

We look forward to your feedback!

[HERE](#) you find our new website.

... was there something else?

This year - in 2021 - Gmöhling has celebrated its 80th anniversary! To this occasion, the Mayor of Fürth, Dr. Thomas Jung, came by to congratulate. Our 98-year-old senior founder Mr. Walter Gmöhling also spoke a few words to the team. We enjoyed delicious snacks and a glass of sparkling wine in perfect weather!

We would like to take this opportunity to thank you, our customers and business partners for the trusting cooperation over the past few years!
